Fill out, and distribute to family members (& Church’s Disaster Response Person)
Pick two places to meet: (1) Right outside your home. (2) Outside your neighborhood in case you are not able to return home. Everyone must know the address and phone number. Ask an out-of-state friend to be your “family contact.” After a disaster, it is often easier to call long distance. Other family members should call this person and tell them where they are. Everyone must know your contact’s phone number.
