## Ministry Report

Thank you and God bless you for the ministry that you provide to the Episcopal Diocese of Alaska. As we are holding Convention virtually this year, please note the deadline is earlier than in the past. This is to ensure that we have adequate time to distribute the information prior to the start of convention. Also note, Ministry Reports received after the deadline may not be included in this year's convention packets! Ministry Reports are a way to share your ministry news so we might better understand and appreciate God's work thru this ministry. This report is included in the Diocesan Convention delegate packets and Convention Journal. ***Please return by 9/10/2021.***

Name: Suzanne Krull      Committee/Deanery/Ministry: Canon for Finance and Administration

1. Please highlight the **activities/events and/or projects** of your ministry/committee since last year's convention.
  - **Maintain high standards for financial reporting, following GAAP (Generally Accepted Accounting Principles). Ensure that our finances were audited by an outside agency. The 2020 audit was completed and reviewed by Standing Comm. August 2021.**
  - **Developed 2022 budget that reflect the bishop's vision and strategic plan and reflects the reality of the impact due to the Global Pandemic. Managed, with the Standing Committee, budget changes/recommendations throughout 2020 and 2021. In 2020, provided financial relief to congregations by implementing a Congregational Pledge waiver for June – December 2020. Any contribution congregations felt comfortable giving was welcome and greatly appreciated. Our priority is to ensure, during these difficult times, congregations can meet their financial responsibilities.**
  - **Acted as the Bishop's Staff liaison to various diocesan committees including Standing Committee, Investment Committee, FIT Committee, Convention Budget Committee, etc. Continued to work with Church Pension Group to ensure our insurance needs are met and pension plans, for both clergy and lay employees, are provided per General Convention resolutions and TEC canons. Make recommendations to the Investment Committee and the Standing Committee to provide waiver for congregations with outstanding Developmental Loan Fund Loans. A payment moratorium and forgiveness of interest was granted for May – December 2020.**
  - **Participate in the ad hoc committee, formed by the Standing Committee at their August 2020 meeting, to implement the action taken to sell the Emmaus Camp property: 3.93 acres. The Emmaus Camp has not been used for the mission or ministry of the Diocese, Deaneries or Congregations for many years and there are no future plans for the use of this property by the Diocese, Southeast Deanery or St. Andrew's, Petersburg. The decision to sell, although difficult, was made with input from the Southeast Deanery and St. Andrew's Petersburg as the Emmaus Camp is located on Kupreanof Island, across the Wrangell Narrows from Petersburg. The property is currently under contract with a proposed close date at the end of September.**
  - **Manage and stay current on the Denominational Health Plan, including the potential impact Patient Protection and Affordable Care Act (ACA) may have. A copy of said policy can be found on the diocesan web-page.**

- Attended the two deanery meetings that have taken place, either virtually or in-person. The Interior & Arctic Coast Deanery have not met at the time this report was written. Met with the Interior Executive Committee to reconnect and being planning for 2022. Assisted congregations with administrative and other issues as they arose and provided support to the Interior Deanery Executive Committee & Arctic Coast Deanery leadership. Provide support and information to congregations, navigating the various programs, grants, relief available due to COVID-19.
- Navigate the various relief programs, grants, and loans available through the CARES ACT and other COVID-19 relief programs and determine which best fits the diocesan needs. Apply for and secure a Paycheck Protection Program Loan for the diocese and assist congregations as needed. Track eligible expenses and keep electronic records and backup documents to maximize our forgiveness. Full forgiveness on the \$88,315 PPP Loan was awarded in early 2021 and we have been notified by the bank that SBA remittance was received, and the loan has been paid in full. Stay abreast of all changes to legislation and the impact those changes will have on our participation in programs. This is a daunting task as things are constantly changing as the impact and information relating to the pandemic is consistently changing.
- Researched eligibility to participate in the Employee Retention Tax Credit, after legislation was passed allowing those who received PPP Loans to participate. Calculated EDA eligibility using "Gross Receipts" as defined by the legislation. Filed amended 941X's for three qualifying quarters and will include the ERC with the 3<sup>rd</sup> quarter 941.
- Continue to provide Human Resource support to the staff and congregations.
- Research and keep current with all State, Local and CDC COVID-19 Health Mandates, Restrictions and Guidelines and ensure we are compliant. Develop and maintain Bishop's Office Mitigation Plan. Work with staff to ensure guidelines and mitigation plans are followed. Follow all Fair Labor Acts related to COVID-19 leave.
- Research and purchase supplies such as CDC approved coronavirus disinfectants, hand sanitizers, PPE (masks & gloves). Shortages due to the pandemic continue, making securing supplies more difficult.
- Assist Bishop Mark in developing Congregational Mitigation Plans and Travel restrictions.
- Continued implementation of the Small Mission Clergy Program. We currently have eight congregations participating. We will continue the program in 2022; funding for the program is included in the 2021 & 2022 Budget.
- Engage with the College of Congregational Development in the Diocese of Olympia to expand partnering in ministry. Due to the pandemic, we did not send any congregations to the 2021 Colleges; we decided travel outside Alaska and being in large gathering was not prudent. There have been virtual training opportunities and I have been participating in the monthly trainers Zoom meetings. The plan is to send four congregational teams in 2022.
- Due to COVID-19, and the rising number of cases and hospitals at capacity, we will not be holding in-person training events in 2021. We are exploring online opportunities and plan to continue with in-person training in 2022, once it is deemed safe to have in-person gatherings.

- Continued follow-up with diocesan team (Bishop Mark, The Rev. Lauran Pifke, The Rev. Chip Mills, Bob Coghill and myself) that attended Project Resource 2.0, a new stewardship training resource offered through the College for Bishops in 2018. The goal of the training is to help Dioceses and, by extension, individuals within our parishes to grow in their stewardship journey. We continue to meet via teleconference and are working on a plan to share the resources with deaneries, congregations and the diocese. These efforts have been put on hold due to the pandemic. Enrolled in a diocesan Membership to TENS (The Episcopal Network for Stewardship).
- Continued work on developing and implementing a diocesan leadership project, as a result of, attended Diocesan Leadership Initiative in 2018. This was a training resource hosted by Episcopal Church Foundation and the College for Bishops. These efforts have been put on hold due to the pandemic. We have begun conversations with outside resources to move this project forward, all be it slowly.
- Provide administrative and program support for the planning and implementation of Diocesan Convention. The 2021 Diocesan Convention will be “virtual” via a Zoom Meeting and live stream. The planning, coordination and execution of this endeavor is extensive; it has and continues to consume a great deal of time and energy. Coordinate with the IT consultants to ensure that Convention runs smoothly. Provide optional workshops during the week between Conventions.
- Provide administrative and financial support to congregations as needed, including but not limited to insurance & property matters, financial, budget and accounting matters, employment issues, pastoral needs, etc.
- Work with congregations that have vacant clergy positions and are in various stages of a clergy search process to understand the administrative and financial impacts. Provide support with position listing and advice and counsel to search committees and search committee chairpersons.
- Enroll, learn and utilize tools to adapt to the new virtual reality; including but not limited to Zoom, Microsoft Teams, EZText, Egive, Constant Contact.
- Network with Province 8 Transition Ministers and attend Spring/Fall meetings.
- Please see the enclosed financial reports, including 2022 Diocesan Budget, Congregational Pledge Reports, Parochial Report Data, and 2020 Financial Section of Delegate Packets
- Coordinate with Chancellor Sarah Stanley and Bishop Mark and outside counsel in the filing of Proof of Claim for EDA & Parishes in the Boy Scouts of America Bankruptcy case. Continue to monitor process and receive updates from our attorney.
- Originate and facilitate a Staff Sacred Grounds Circle.

2. Tell us about the **goals** of your ministry for the upcoming year:

**My goal is to continue to provide for the administrative needs of the Bishop's Office and diocese. The first priority is to ensure that our finances are recorded accurately and timely and our accounting systems and procedures follow GAAP, Generally Accepted Accounting Principles. Continue to work with the auditors to ensure we are compliant with the new Non-Profit Accounting Rules (ASU 2016-14). Continue providing congregational development tools with the continued implementation of the Small Mission Clergy Program, the participation of congregational teams to the College for Congregational Development and providing regional licensed ministry training events. Work with the Stewardship team and the Diocesan Leadership Project team to continue to move those efforts forward. Other administrative needs include insurance, pension, legal issues, property issues, building and ground maintenance, implementation of the Medical Insurance Policy which supports the DHP (Denominational Health Plan) Canon, monitor impact of and ensure compliance with Patient Protection and Affordable Care Act (ACA) on our policies and practices. Support congregational ministry by providing deanery funding to be used at the discretion of each deanery for their congregational ministry development. Provide support to the deanery structures, as requested. Continue to keep current with the legislation, guidelines, health mandates, etc. relating to COVID-19 and measure and adjust to there impact on the Episcopal Diocese of Alaska.**

3. <b>Stewardship.</b>	Do you receive support from the Diocese?	Yes
	If Yes, are you within budget?	Yes
	Are you raising additional funds?	No

Please explain your overall financial situation: **The current estimate for the diocese is to be within budget by year end 2021. The Administrative Expenses are also within budget.**

4. Please share any other **comments or concerns** that you have regarding your ministry.

**I would like to publicly acknowledge and thank the other members of the bishop's staff for tremendous effort and accomplishments made with very limited resources and in very trying times. I'd also like to say *Thank you* to Melissa Ward, the Bishop's Assistant/Receptionist for providing support needed to attend to the administrative arm of the bishop's office.**

## Ministry Report

Thank you and God bless you for the ministry that you provide to the Episcopal Diocese of Alaska. As we are holding Convention virtually this year, please note the deadline is earlier than in the past. This report is included in the Diocesan Convention delegate packets and Convention Journal. *Please return by 9/10/2021.*

**Name:** \_The Rev. Gordon Blue\_

**Committee/Deanery/Ministry:** **Commission On Ministry\_**

1. Please highlight the **activities/events and/or projects** of your ministry/committee since last year's convention.

The Diocese of Alaska affirms and supports the development of the ministry of all baptized persons. The Bishop and Commission on Ministry [COM] will provide encouragement, training, and necessary resources to assist each congregation in developing an ongoing process of community discernment appropriate to the cultural background, age, and life experiences of all persons seeking direction in their call to ministry. The COM is charged to help the Bishop in developing community processes for the discernment of ordained ministries, licensed lay ministries, and lay ministries. The COM is to receive training and education to help accomplish these tasks.

This has been an exciting year in the development of the COM for the Diocese of Alaska. Working closely with Bishop Lattime, we met regularly each month (by Zoom), and met additionally for education and for sub-committee work related to the many tasks called up by the work of the COM. We have engaged with others involved in this work in other dioceses and parts of the Church, learning from them along the way.

### **Ministries of All Baptized:**

We have discovered that there is a sufficiency of resources within the Diocese of Alaska to accomplish the work. This sufficiency is present in the ministries to which we are all called together. It is as though we have been invited to a feast in the wilderness, in which we each may offer up what we have to hand.

### **Licensed Ministries:**

Face to face training for Parish leadership in licensed ministries begun in recent years by the bishop and diocesan staff has been very successful, but necessarily curtailed while we are dealing with the pandemic of Covid-19. Bishop Lattime has held regular Zoom conferences with lay leaders of parishes throughout the Diocese. Participants report these are an encouragement and a help.

### **Ordained Ministries:**

Susan Mitchell was ordained Priest at St. Matthew's in Fairbanks, on June 19; she will serve Interior parishes.

Jake Lambers became a candidate for ordination to the Diaconate. He is planning an ordination with Bp. Lattime, Fr. Terwilliger, and the parish of All Saints, Anchorage, date to be determined.

Five persons are engaged in active formation as postulants:

Jeanette Dementi of St. Luke's, Shageluk;  
Judy Gau of St. James, Tanana;  
Ross McKay, of St. Mary's, Anchorage;  
Gary Shields, of St. Mark's, Nenana;  
Helen Stafford, of St. Mary's, Anchorage and St. James, Tanana.

In addition, five persons are in active discernment, or have become inactive in formation due to life circumstances.

2. Tell us about the **goals** of your ministry for the upcoming year:

Of course, the COM will strive to continue along the trajectory established by the past several years work.

Bishop Lattime secured the participation of Lydia Bucklin at this year's Convention. She will help us discern our way to the Feast in the Wilderness, and the COM is prepared to help in this, at the Convention, and afterward.

3. <b>Stewardship.</b>	Do you receive support from the Diocese?	Yes X	No_
	If Yes, are you within budget?	Yes X	No_
	Are you raising additional funds?	Yes_	No X

Please explain your overall financial situation:

The COM did not travel to meet during the year, due to Covid concerns.

4. Please share any other **comments or concerns** that you have regarding your ministry.

Next year promises even greater excitement in fulfilling the charge of the COM for the Diocese of Alaska.

Committee/Deanery/Ministry: South Central Deanery Executive Committee

## 1. **Please highlight the activities/events and/or projects of your ministry/committee since last year's convention.**

Due to COVID, in 2020 the South Central Deanery postponed their May meeting to October 2020 and then held our 2021 annual meeting in May 2021.

The Executive Committee has focused on the following areas:

### **October 2020 - May 2021**

- A Special Committee was created to discuss the continuation of the Society of St. Simeon and St. Anna. This committee created a report and submitted it to the Standing Committee and Diocesan Convention.
- There was an emphasis on utilizing MailChimp in 2020 to expand communications, networking and to facilitate in the operation of our zoom May 2021 annual meeting.

### **May 2021 – September 2021:**

- The Executive committee established a monthly meetings on the second Wednesday of each month via zoom. This is a business meeting to discuss on-going work throughout the Deanery, review the budget and take action on any Deanery requests that have been submitted within the previous month.
- Board Retreats – Two Executive Committee Retreats have been held to discuss the organization, communication, planning and executing our goals for the upcoming year. We have focused on our strengths and weaknesses and how we work together as both an Executive Committee as well as a Deanery as a whole. We continue to assess our communications and are working on ways to improve how we work together. We have divided up our South Central Churches and assigned Executive board members to make contact with designated churches to enhance a person to person contact. This year's work and goals have a predominant focus on enhancing communication, networking church to church relationships, and supporting churches during this time of the pandemic.
- Bylaw Revision – A sub committee has been created to work on the by-law revisions that were discussed at our annual Deanery meeting in May 2021. Our goal is to bring revised “Bylaws” to our May 2022 Annual Meeting.
- Two Grant applications were submitted and approved.
  - St. Augustine's, Homer was approved for a grant for equipment and technology support for offering on-line service. (Submitted and approved in July)

- St. George's, Cordova was approved for a grant for technology and phone upgrades to facilitate offering on-line church services and programs in the church building.  
(Submitted and approved in August)
- The Executive Committee has started conversation with churches to find out what work opportunities may exist at their location to share in a church to church work group ministry.

2. Tell us about the goals of your ministry for the upcoming year:

- Improve communication with the parishes and build bridges between churches. We are researching the use of a universal “platform” for communicating as Deanery.
- To evaluate the St. Simeon/St. Anna lists and to continue to support the existence of this ministry. Our goal is to cull the list for each parish within the Deanery for accuracy.
- Develop a SCD Newsletter highlighting our parish to parish ministries. Note: We issued our first newsletter in September and have outsourced this process for our November publication.
- Plan and implement a work and fellowship party at a parish of the Deanery – as COVID permits.
- Have a monthly meeting of the Executive Committee and periodic retreats to build our networking ability and stability as a committee.
- Present a bylaw revision at the next Deanery Annual Meeting.
- Adding an adjunct secretary for minutes – Outsource work of the committee as needed.
- Write and present realistic job descriptions for each member of the Exec. Committee. Submit any necessary revisions to the bylaws review committee and then to the Annual Deanery Meeting.

3. Stewardship.	Do you receive support from the Diocese?	Yes X	No_
	If Yes, are you within budget?	Yes X	No_
	Are you raising additional funds?	Yes_	No X

(Due to COVID, we are not assessing parishes in 2020 and 2021)

Please explain your overall financial situation:            We are solvent.

4. Please share any other comments or concerns that you have regarding your ministry.

As we “come out of the Pandemic” parishes need to continue to support, through their budgets, the Deanery assessments on an annual basis even though we have waived these fees in 2020 and 2021 due to COVID.

Respectfully Submitted,  
South Central Deanery Executive Committee

Caroline F, Malseed, Dean

Southeast Deanery

Name: \_\_\_\_\_ Committee/Deanery/Ministry: \_\_\_\_\_

1. Please highlight the **activities/events and/or projects** of your ministry/committee since last year's convention.

The Southeast Deanery held its annual Convocation via Zoom this year. The Rev. Caroline F. Malseed, St. Brendan's, Juneau, was elected Dean; Loyd Platson, St. Peter's-by-the-Sea, Sitka, Assistant Dean; and Robert Coghill, Holy Trinity, Juneau, Secretary-Treasurer.

Robert Coghill has led several six-week book studies for members of the Deanery and other interested persons. Books studied have included Caste, by Isabel Wilkerson; Building Resilience, by Alice Updike Scannell; The Church Cracked Open, by Stephanie Spellers; and Always With Us? What Jesus Really Said About the Poor, by Liz Theoharis.

The Deanery has followed with interest the progress of the sale of the Emmaus Center and is pleased that a local individual has decided to purchase it.

We have concluded that the best future for the Society of St. Simeon and St. Anna would be for it to continue on a Deanery level but are awaiting a decision from Diocesan Convention before we develop a finalized plan within our Deanery.

As we had available funds in the Deanery account, this fall we provided unrestricted block grants of \$1200 to each congregation in the Deanery to use as they see fit.

2. Tell us about the **goals** of your ministry for the upcoming year:

We continue to seek to support the congregations within our Deanery in their ministries and mission.

We hope to offer a Godly Play workshop to all the congregations in the Deanery, either in person or via Zoom, in the near future.

We hope to finalize a plan for the Society of St. Simeon and St. Anna within our Deanery.

We hope to continue the series of Deanery-wide book studies.

We hope that we will be able to host an in-person Deanery Clergy retreat and Convocation in April, but if that is not possible, we will meet via Zoom in 2022.

3. **Stewardship.** Do you receive support from the Diocese? Yes\_  No\_   
If Yes, are you within budget? Yes\_  No\_   
Are you raising additional funds? Yes\_  No\_

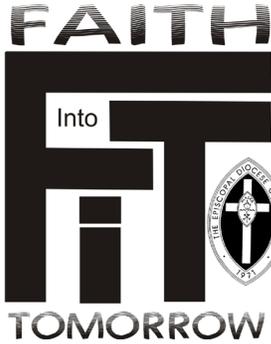

Please explain your overall financial situation:

The Deanery is supported by Diocesan grants and congregational pledges. In addition we have accumulated unused funds from prior years which are available to our member congregations by application to the Deanery Executive Council. We continue to look for creative ways to use the funds to benefit the Deanery and Southeast communities as a whole.

4. Please share any other **comments or concerns** that you have regarding your ministry.

At each Deanery Executive Council meeting we invite each member to provide updates on life within their own congregations. Like most Deaneries our congregations are challenged by the situation of the pandemic, yet are continuing their ministries with patience, courage and grace. We are grateful for the leadership of our Bishop and Diocese and the resources they have provided to enable us to continue our ministries in the name of our Lord Jesus Christ.

## FAITH INTO TOMORROW – GOOD NEWS ENDOWMENT 2021 ANNUAL REPORT

The **Faith Into Tomorrow – Good News Endowment** is a diocesan endowment fund conceived around 1992 by Bishop Charleston and other diocesan leaders. The **FIT Campaign**, conducted during 1993, appealed to Episcopalians across the state to pledge towards the vision of Bishop Charleston, to establish a fund that would concentrate our efforts towards six specific ministries. The Diocesan Investment Committee oversees the ongoing management of the investment of the endowment funds. The FIT Oversight Committee oversees the distribution of the interest from these funds through grants and operating budget line-item funding.

**Membership:** The FIT Oversight Committee (OC) consists of eight persons. Two laypersons and two clergy will be elected by the Convention. The Bishop, on recommendation by the FIT OC Chairman, will appoint three at-large members. The Diocesan Canon for Finance and Administration will be an ex-officio member. The elected and appointed members serve 4-year terms.

The current members of the committee are: Ron Moore, Chair (Appointed, Fairbanks); The Rev. Wilson Valentine, (Elected Clergy; Juneau), The Rev. Mary Norton, (Appointed; Kotzebue); Bella Schjenken (Elected Lay, Anchorage); Alice Holinger (Appointed; Wasilla) , Maggie McKay (Elected Lay, Anchorage) , The Rev. Julie Platson (Elected Clergy; Sitka), and ex officio Suzanne Krull (Staff Liaison).

The committee held four meetings in 2020 by audio-conference. A Zoom meeting is scheduled for November 6 and 7, 2021.

Case 2b – Traveling Work Team Support Grant Award

### Background

On March 23, 2021 St. Francis by the Sea Episcopal Church at Kenai applied for and later received a \$500.00 FIT Grant from the Diocese of Alaska. The grant project was to support, on the Kenai Campus, a weekend work party and fellowship worship with the congregation from St. Christopher's Church in Anchorage. The project was scheduled for July 16-18 2021 but was later changed to Friday through Wednesday July 23-25 2021. The event coincides with the Kenai River dip netting season. It was the fourth time that we we have done this.

### Results

About thirty people attended. Most were from St Christopher's but there were also five from Ft. Francis and Fr. Bob Thwing who is the traveling clergy for our church. Friday was used for traveling and camp set up, Saturday was the work day and on Sunday we held Sunday service/Eucharist followed by a picnic. After clean up, St. Christopher's families departed on Friday evening and the following Monday.

Covid 19 prevention was addressed by deep cleaning the church interior, which was not used for gatherings but rather as a bathroom/ kitchen prep area. The main activities—work, worship and picnic—were outside in the pleasant weather. Personal spacing was observed to the greatest degree possible outside. Face masks were not generally used.

The St. Christopher's men focused on grounds clearing and maintenance. Tree removal to mitigate beetle infestation was a new focus this year. There was also flower bed improvement and a significant effort to remove weeds, grass and under story on most of the property. We were unable to do the debris removal but can do so next year.

The \$500 FIT Grant money was used to support travel, buy food and to purchase gas and incidental items for the grounds clean up. In past years no such support was available.

### Discussion/Summary

I think we were successful in two ways. A significant amount of work was done on the St. Francis campus. And an incredible barbecue feast prepared. Our very small and elderly St. Francis congregation was just not capable of doing this. Second, by worshiping, working and eating together, a fellowship between our congregations has steadily blossomed over the years. Our friends at St. Christopher's have brought energy, wonderful music and a northern Philippines perspective on life that is really quite precious. We are deeply appreciative. Thanks be to God!

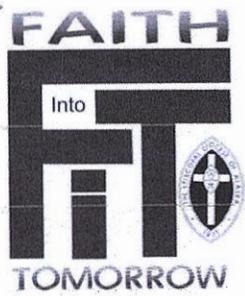

### Notes

Opportunity for dip netting on the Kenai River is certainly underlies the success of this event. However that activity remained in the background and did not in any way interfere with our gathering.

Some photos I took summarize activities better than words. I will attempt to attach a few to the email. The same photos are also in the new South Central Deanery newsletter.

To his credit, the idea for this joint collaboration of the two congregations came from Father Bob Thwing four years ago. Good on you Fr. Bob!

With heartfelt thanks to the Episcopal Diocese of Alaska and both congregations I am,  
John (Jack) N. Trent, Senior Warden

## **Grant Reporting Case 4 – Youth Ministries**

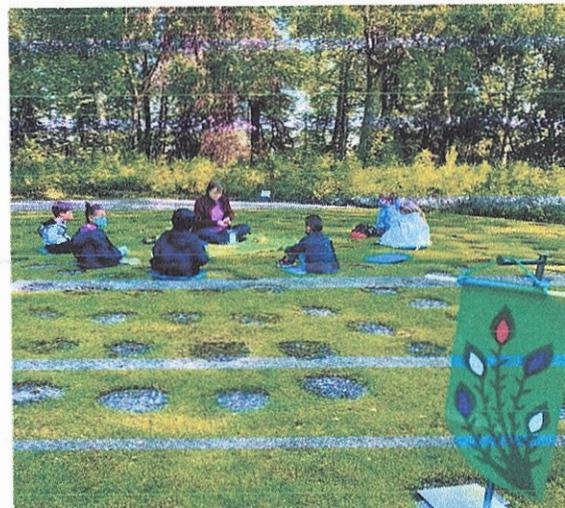

Date: August 27, 2021

Name of Program: Children's Christian Formation

Name of Church: St. Mary's Episcopal Church

### 1) Describe the program the grant helped fund? (share your story)

The 2020 FIT Grant Funding helped the St. Mary's Children's Ministry Team keep our Godly Play program running by providing Godly Play materials for families to engage with at home. Despite the inability to gather together, we were able to provide Godly Play At Home materials to a core group of twenty or so families with young children. Our emphasis has been on the church seasons of Advent, Lent, and Pentecost. Feedback from families has been positive. For many, telling the sacred stories often happened only in a church building setting in the past. Families have seen a new way of bringing meaning and Christ's message to their families and community. Midsummer 2021, we implemented Godly Play outdoors in the Labyrinth on the St. Mary's campus. Additional materials – stories, banners, and other supplies were used to facilitate these outdoor Godly Play sessions. We look forward to more Godly Play sessions outside, as the weather permits, in particular the telling of Noah's Ark on the Blessing of the Animals Day!

Godly Play in the Labyrinth

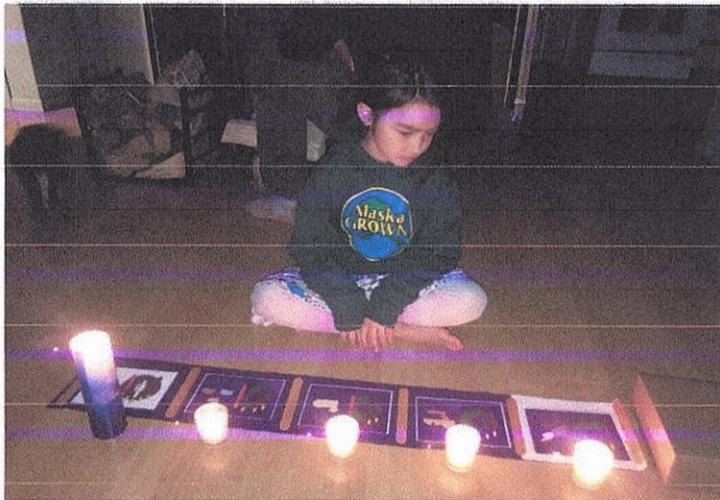

### 2) How did your program impact your youth? Your youth ministry?

These stories and the ability to connect with our families in a meaningful way has brought joy, wonder, and inspiration to the children of our community, to the parents who look to us spiritual support, and even to the Children's Christian Formation Team of Volunteers. It has bonded us in a unique and challenging time when it would be easy to give up and drift apart.

Part of the 2020 FIT Grant is earmarked for volunteer training by a certified trainer. The training will be completed in the last quarter of 2021, and will be done virtually.

3) How do you see God's work/purpose in this program?

We have supported the Christian Community of parents, children, and mentors in a time of isolation. There are so many Biblical examples of God's people working through difficult times; having our common stories of faith can only strengthen God's purpose and provide us with messages of hope, perseverance, commitment, goodness, patience, generosity, and greatest of all — love. These foundational Christian messages are embedded in Godly Play stories which the children and families are encouraged to wonder about, to reflect upon, and engage with in imaginative ways. It is through this work that the message can be brought to the wider community and over many generations.

The Advent story: the Prophets, the long walk to Bethlehem, Shepherds and Angels. A whole lot to wonder about.

4) How were the funds spent?

As of August 25, 2021 we have spent \$1,177 on Godly Play materials, including 'At Home' boxes for Lent and Pentecost (Advent boxes were purchased using dedicated funds from the St Mary's budget, due to the timing of the arrival of the grant funds). In addition, we purchased training books for Godly Play volunteers and other materials, such as banners, to assist us with our outdoor, Godly Play in the Labyrinth, services.

We have located a certified Godly Play trainer, Kay Flores from Chehalis, WA, who will provide virtual, customized, training for our Storytellers and Doorpersons. This will happen in the 4<sup>th</sup> quarter of 2021 and estimated at \$500.

We anticipate purchasing and providing more stories and materials to parents and families in the coming quarter, before year-end. We expect that these expenditures will close out the balance of the \$2,300 grant.

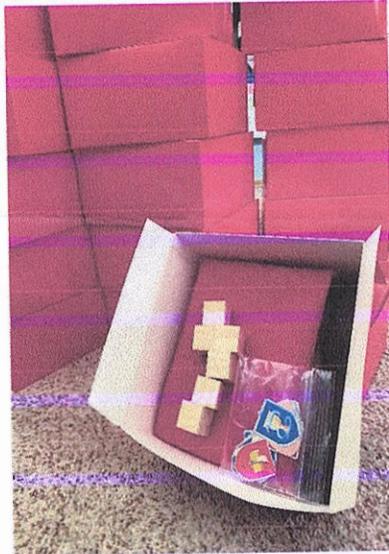

Purchased Materials: \$1,177.00 - actual  
Training Q4 2021: 500.00 - estimated  
Fall/Winter At Home 2021: 600.00 - estimated

Unused grant funds, if any, will be returned to the Diocese.

- 5) Suggestions for improving the grant process or other comments including Thank-you or recognition of key people/organizations:

We would like to thank Suzanne Krull for guiding us in the grant process and ensuring that our application was submitted to the correct "case". Also, a huge thanks to Jessica Sulley, St Mary's chair for Children's Christian Formation whose commitment, creativity, and leadership is guiding us through these challenging times. The faithful and cheerful support of the clergy at St. Mary's has kept our spirits up. Thanks to Rev Catherine Amy Kropp for all she has done. Most of all, thanks be to God.

Name of Program: Gospel Music Curriculum

Name of Church: Dancing with the Spirit

1) Describe the program the grant helped fund? (share your story)

We made a great start on adding to our Gospel Song videos by recording the Rev. Dr. Trimble Gilbert singing 4 Gwich'in gospel songs and Dorothy Sommer singing 4 Koyukon gospel songs—plus one song about a crane. I'm so happy that we were able to add to our gospel songs as well as helping preserve both the Gwich'in and Koyukon language.

2) How did your program impact your youth? Your youth ministry?

We will be posting these 8 Gospel Songs plus another 23 that we have recorded—for a total of 31 on our website this fall. Some of these Gospel Songs will be used in our school program. They will also be available for churches to use for inspirations—as youth and adults sing God into their hearts and minds. By having these songs recorded, they can be used for teaching—even when our staff is not available to travel because of Covid... And they can be used long into the future.

3) How do you see God's work/purpose in this program?

These gospel songs encourage the musicians who made them—and everyone who sings them. We are especially happy to have elders like the Rev. Dr. Trimble Gilbert and Dorothy Sommer singing—preserving their languages—and their faith. Students in the Yukon Flats are always

proud to be able to sing and play *Sweet By and By* and *Kreist Tsut Annei* at their school concerts. And there are very few Koyukon singers. Everyone can now learn these songs through these videos and the songbooks and fiddle tab that go with them.

4) How were the funds spent?

**FIT Gospel Music Curriculum \$4200**

The Rev. Dr. Trimble Gilbert Gwitch'in Song Videos	
<i>Sweet By and By, Kreist Tsut Annei, God Is So Good, Hark the Herald</i>	\$800
Bobby Gilbert <i>Sweet By and By, Kreist Tsut Annei, God Is So Good</i>	\$600
Dorothy Sommer Koyukon song videos	
<i>Advent Song—Savior Come Save Us; De Laa Do Laa; I Have Decided to Follow Jesus; Ave Maria; What a Day That Will Be</i>	\$1000
Josephine Malemute Koyukon song videos with Dorothy Sommer	\$1195
Rev. Belle Mickelson administration and organization	\$605
Total	\$4200

5) Suggestions for improving the grant process or other comments including Thank-you or recognition of key people/organizations:

I especially want to say *Ana baasee* to Dorothy Sommer and to Josephine Malemute, Dancing with the Spirit Assistant Director, for recording her aunt, typing up the songs, and playing along with her on guitar. And *Mahsi' choh* to the Rev. Dr. Trimble Gilbert and to Annette Gilbert for recording Trimble and their family—and sending the videos to me which took a lot of effort due to internet issues in Arctic Village. I also want to thank Lynnette Winfrey and Suzanne Krull of the Episcopal Diocese of Alaska for doing all our bookkeeping!

Faith into Tomorrow  
Case 4 – Youth Ministry  
St. Luke's, Shageluk

Dear FIT Grant Committee Members,

I would like to request a second extension on the FIT grant for a Youth program in Shageluk. While there were windows of opportunity, they were too narrow to successfully plan and implement outsiders' travel to Shageluk during Covid for the purpose of working with our unvaccinated children. The current situation is certainly not conducive to such travel. I have asked for community input and reached out to one possible candidate to travel from Anchorage to help with a children's/youth program. There is no specific plan in place at this time, but I have hopes for a good use of those funds in the future.

Dogidinh,

Name of Program: The Lord's Table

Name of Church/Organization: St. John's Episcopal Church

1) Describe the program the grant helped fund? (share your story)

The Lord's Table is a weekly ministry in which we feed our homeless/indigent population a Sunday dinner. St. John's has been doing this for over 20 years without fail.

2) How did your program impact your church? Your community?

Ketchikan's homeless population has meal options every day of the week except for Sunday. This is why the members of St. John's started this program. Not only the homeless, but other vulnerable citizens of Ketchikan are able to partake of this ministry, and do.

3) How do you see God's work/purpose in this program? We help to take care of some of the people of this town who find it hard to care for themselves. We hope that through our actions we can demonstrate God's love for all of his children.

4) How were the funds spent? The cost of this program has increased dramatically since we received the grant. The funds were used to buy all the supplies necessary to continue it. COVID changed the game considerably, making it necessary to package our meals to go, rather than serve them sitting down. This meant buying the containers, the plastic cutlery, etc.

- 5) Suggestions for improving the grant process or other comments including Thank-you or recognition of key people/organizations: No issues with the grant process here! We are especially grateful to the diocese for providing us with these funds. A special thanks also to Presbyterian Church here in Ketchikan and the Methodist Church as well, for their invaluable volunteering.

Name of Church: St Peter's by the Sea Episcopal Church/Sitka

The people of St Peter's by the Sea Episcopal Church would like to thank the FIT Committee for extending our timeline to use the \$700 grant that was awarded to St Peters during the 2019 grant cycle, for the collaboration with the Uncommon Music Festival, and the offering of the Women in the Church Concert.

The 2020 summer concert plans had to be cancelled due to the COVID-19 pandemic, and once again this summer, 2021, it had to be cancelled due to a very high covid surge shortly after the 4th of July in Sitka and in other areas of the country. A week before the festival musicians were due to arrive in Sitka, they had to make the difficult decision to cancel this summer's concert series.

We look forward with much hope, that by next summer, 2022, we will be able to welcome the Uncommon Music Festival to Sitka for a week of music, and for our special offering of the Women in the Church Concert.

Name of Program: Youth & Family Outreach

Name of Church: St Bartholomew's Episcopal Church/Palmer

Part of the grant has been used to help carry out our community service of getting school supplies to kids and families most in need. On August 14th of 2021, we had over 150 bags of school supplies ready to hand out. Our event was supposed to last two hours, we ran out of supplies in 45 min. So, in 45 min we served almost 100 families, we had several families that had multiple children in multiple grades. We had families in tears and smiles on kids' faces. A great event for our 4th year in a row.

We are seeking an extension on our other part of the grant, we are hoping to do a community activity, such as a fun run or a youth activity, however, COVID cases and mitigation plans have hindered our abilities to set a date or feel confident that we would be ensuring the safety and health of those we were seeking to reach out to, so we have held off on setting a date for this event. We hope that as the year goes on, we can return to some semblance of normalcy and plan our event. Once the event takes place, I will be sure to send pictures and an updated report.

Faithfully,

Jousette McKeel

## DANCING WITH THE SPIRIT ACCOMPLISHMENTS 2021

<https://www.dancingwiththespirit.org>

Dancing with the Spirit is a program that teaches guitar, fiddle, mandolin, ukulele, singing, and dancing to students in villages—operating out of the Episcopal Diocese of Alaska office. It is funded by schools, tribal councils, and individual contributions. We have an 11 member Board of Directors and elected officers who guide the program and have developed our mission statement. “Dancing with the Spirit connects youth and elders through school music programs and camps--promoting spiritual, physical, and mental wellness with the joy, love and hope of music. Our goal is to prevent suicide, drug, alcohol, and domestic abuse by building self-esteem, preserving musical traditions, and encouraging strong healthy communities.”

1. Over the past fifteen years, we have traveled to 55 villages--plus reached out to the Native communities in Fairbanks, Juneau, Kodiak, Cordova, and Anchorage with music camps. Villages are Alaganuk, Allakaket, Angoon, Anvik, Arctic Village, Beaver, Chalkyitsik, Chenega, Circle, Coffman Cove, Eagle, Emmonak, Fort Yukon, Galena, Grayling, Hollis, Holycross, Hooper Bay, Hughes, Huslia, Hydaburg, Hyder, Kaltag, Kasaan, Kivalina, Kokohanok, Kotzebue, Koyukuk, McGrath, Manley Hot Springs, Mentasta Lake, Minto, Naukati, Nikolai, Northway, Nuiqsut, Nulato, Pelican, Point Hope, Port Alexander, Rampart, Ruby, Scammon Bay, Shageluk, Stevens Village, Tanacross, Tanana, Tetlin, Thorne Bay, Tok, Tyonek, Unalakleet, Venetie, Whale Pass, and Yakutat.
2. The two and a half years (pre-pandemic), we spent 92 weeks in village school music camps—and in the summers (pre-pandemic) we helped teach and sign up Native students and counselors for the Fairbanks Bluegrass Camp for Kids; taught at the Cordova 4H Music Camp—and led the Southeast Deanery Music Camp in Juneau at St. Brendan’s.
3. Pre-pandemic, we Involved 45 part-time staff members in teaching for our school music camps. During the pandemic we have hired 22 of these part-time musicians to help with our virtual curriculum.
4. Village travel was halted during the pandemic—so we developed virtual curriculum which is posted on our website and can be downloaded for free and used for many years to come! Vol. 1 has 27 song videos and 29 fiddle and tuning videos together with a songbook and fiddle tab. The Holiday Songbook has 33 song videos and 24 fiddle videos plus a songbook and fiddle tab. Vol. 2 should be up in October—and we’ve recorded many videos for Vol. 3 and 4.
5. A Gwich’in Dance Social Studies Curriculum will be available later this fall that involves footage/info from dances in Venetie, Fort Yukon, and Arctic Village.
6. Last spring we began virtual music lessons for Tanana, Hughes, Beaver, Takotna, Anvik, and Chalkyitsik. This fall more schools want the lessons including Grayling, Shageluk, Holycross, Venetie, McGrath, and Allakaket.
7. Our staff led virtual music workshops at both the 2021 Anchorage Folk Festival and Juneau’s 2021 Alaska Folk Festival.
8. Received a \$4200 St. Matthews Endowment Fund grant in 2020 for Distance Music Curriculum; a \$2200 St. Matthews Endowment Fund grant in 2021 for a Minto Music Camp next spring; a \$4200 FIT Grant towards a Gospel Music Curriculum; \$16,302 from FY2020 TCC Wellness Funds for Distance Music Curriculum; a \$3000 Daaga’ Grant to record song videos of elders singing in their language; and a \$2500 Arnold Shultz Foundation Grant from the Bluegrass Foundation to record bluegrass song videos.
9. Received a \$64,450 RurAL CAP Foundation grant primarily for instruments for the villages, plus song videos, music curriculum, and staff connections with the villages.
10. Received \$3000 worth of instruments for village schools and a Steep Canyon Rangers Concert for village schools from Can’d Aid—and they want to contribute this year, too.
11. Updated our Dancing with the Spirit website with more pictures and information.
12. Sent some of our Dancing with the Spirit song videos to the Canadian Gospel Jamboree and contributed to Anglican podcasts on Stories of Hope and Light (Josephine Malemute and

- Mike Mickelson) and one of the many honoring the Rev. Ginny Doctor (Rev. Belle Mickelson) <https://www.anglican.ca/im/podcasts/>
13. Invited to write the lead article for Nov. 2021 *The Anglican Musicians Journal*.
  14. Nominated the Rev. Dr. Trimble Gilbert for a National Heritage Fellowship.
  15. Continued to give out a two CD set *Rev. Trimble Gilbert Sings Takudh Hymns*--plus an all Gwich'in CD recorded by Beaver students
  16. Continued work on a Gospel Guitar Songbook/Play Along CD and recorded more gospel song videos for a website gospel section which we hope to finish this winter.
