 ACT and other COVID-19 relief programs and determine which best fits the
 diocesan needs. Stay abreast of all changes to legislation and the impact those
 changes will have on our participation in programs. This is a daunting task as things

Supporting the Bishop:

- ➤ Maintain Bishop's calendar- Scheduling and adjusting as needed.
- Arrange Bishop's travel and visitations. This can include, but not limited to: signing up for conferences, maintaining contact before the event, making travel arrangements at the destination (rental car, bus, train, or mentor), booking hotel accommodations, finding out what services will be needed at Visitations (baptism, Confirmation, etc.), and Preparing a folder with all of this information, in an organized fashion for easy retrieval.
- Maintain Bishop's Log- This log is used to fill out the Canonical Report each year. Contains all services he has provided, ordinations, postulants, SMC and more.
- Maintain all records for the Bishop: some examples are; notices form other diocese on actions with clergy, items pertaining to the different parishes, important emails, Lay Leader documents, Postulant files, and much more. I am working compiling a file on Bishop's time here at the Diocese. I just found out recently, that after each Bishop Leaves, his file is to be sent to the National Archive. I am working on getting our past Bishop's information, that is still here, ready to be sent the archive (after I scan it and send the digital files to the UAF Archive. That being said, I am trying to compile a file that will show all that Bishop Mark Lattime has done since he was here. For example: I print off his calendar each month, that is a record of all his actions through the year, and it helps me complete my CPG report each year. I have also started

- printing the Clergy Information from CPG on each Clergy Member that he has ordained while he has been in the Diocese of Alaska.
- Last year I started to scan all the Clergy files (active, retired, moved, and deceased) into digital files. I take each file, organize it into the desired categories, make cover sheets for those categories, then I scan each packet into the individual's digital file. This is so that all the files will be set up exactly the same for continuity and ease of reference when needed. This is a slow process and I work on it when I am not doing my regular tasks.
- ➤ I have also created a spreadsheet file that has All of our clergy and lay, their contact information, ordination information and more. I have different tabs for different information groups that are referenced regularly. I created this in a hope to make it easier for me and any future secretaries, to have continuity and all the pertinent information at their fingertips in one place.
- ➤ Respond to the needs of those who call on us for prayer, funeral, and other services; finding clergy when Bishop is not available. Then helping to arrange their travel, (Travel Authorizations), and maintaining a file on the Authorizations for Lynnette.
- Create any documents, certificates, or any other required forms. I also order the Baptismal, Reception, Confirmation, and grandparent cards that Bishop and Clergy u
- Assist with correspondences. Proofread, make suggestions and the produce the resulting document.
- Locate any needed information for the Bishop.
- Monthly Ordination Anniversary Cards. Keep list of dates, put together each months' cards with names (and according to Priest or Deacon). I also print, cut, and prepare the cards beforehand. Once Bishop has filled out the cards for that month, I mail them off. I also post the names on the Clergy Facebook Page each month to celebrate.
- > Provide support and hospitality for the clergy and other visitors.
- Provide overall support and attention to the Bishop as needed So that he may perform his tasks Effectively.

Supporting the Diocese Office:

- > Answer calls, emails, and other forms of correspondence.
- Order all supplies for the Bishop and the office staff. Keep rotating stock of necessities (Bathroom products, cleaners, PPE, etc.)
- > Produce the mailing Labels for our office, churches, clergy, and any other group needed.
- Yearly Diocesan Calendar- Produce the picture, get approved, and then order the desired quantity so that they arrive in December. Once in stock, I advertise that the calendars are available, take orders, and ship them out. I created a spreadsheet to keep track of who ordered, when they were mailed and when they were paid for. I use this to help decide how many to order the next year.
- Christmas Cards- I create the image proof. I normally produce 6-10 proofs and when they have picked the image they like, I will tweak it according to their feedback. Once approved by staff, then I either print them inhouse or have them produced for us. Then mail them out.
- Prepare items, when requested, for mass mailings; such as FIT Grant packets, Meeting packets, etc.
- Receive the Lectionaries from Church Publishing Group. They arrive in large stacks of each lectionary; There are usually about 12 different lectionaries. I separate them by date. Each lectionary stack has enough for me to give each of the churches on the lectionary list, 11 copies of each lectionary. Because of the size of the packets, I separate the mailing into two groups (6 lectionaries with 11 copies each for each church on the list). This process usually takes me two days to complete; one day for 6 lectionaries stacks.
- Create and distribute the weekly newsletter through constant contact. I add bishop's articles to the Website and then put the links in the newsletter. I then make the newsletter version for those who are visually impaired (the VI Edition). I send it out first and then place the link for that one in the regular newsletter. There is a section that explains the VI Edition and lets people

preview it to decide if they would like to switch to the more basic and easier to read version. I gather articles from each staff member, items from the national church, and from congregations that give me announcements they wish to have distributed. I send out the newsletter and then archive it to the website and post it on Facebook to all of the groups (Clergy, Lay, and Episcopal Diocese page).

- Modify and edit the Diocesan Website; adding and removing content as requested.
- ➤ Prepare thank you letters based on Lynnette's Monthly Deposit sheets. I create the thank you letters, make two copies of each, I mail one copy and give the second copy (attached to the Deposit sheet) back to Lynnette for her files. I try as best I can to do this task as she makes the deposits so that the letters go out in a timely manner, based on when the money arrived.
- When needed, create songbooks for churches (print book, create and laminate cover, and then bind it). I created one new songbook that will take care of all churches (plus one for Gwitchin).
- > Provide administrative support to all Diocesan staff as needed.
- > Welcome all visitors and maintain a clean and welcoming office environment.

2. Tell us about the goals of your ministry for the upcoming year:

- I will continue to do the best job I can to support both the Bishop and the Diocesan Staff.
- I hope to continue to streamline the process of scanning the physical files. This past year I obtained the ability to scan straight to my computer, this has helped to move it a little faster.
- I have also recently started creating an SOP (standard operating procedures) book for my position. It contains things like step by step directions for: the Diocesan Convention, General Convention, Winter Talk, all other tasks listed in the above section of this report, and any other items that may be of use. This way, in the future, when I am no longer here, the next person will have a detailed list of jobs they need to complete and how to do them step by step; list of all vendors they may need to deal with, and any other information that will help them ease into this job with as little stress as possible and maximize their learning efficiency. My hope is to get this completed before this time next year. I will keep it as a digital file so that it can be edited as things change or are added in (as well as a printed copy for anyone to reference).

I believe I say this every year and will probably continue to say it. I am thankful every day for this job and the people I work with. Bishop, you are one of a kind and I am so thankful you are my boss. I am so glad that you were able to finally get your Sabbatical this year and congratulation on your recent wedding with Patricia. Suzanne, I appreciate you and all that you do for the me and the Diocese, you wear many hats and one of the is as a friend to us all. Thank you. Lynnette, you are a genuinely lovely person, heart and soul. You care about all of us; those in the office and those who seek you out for help. I appreciate your friendship. I pray that you all have a wonderful year ahead.

The Standing Committee met by Zoom, and finally in-person to conduct its business following the 2021 Diocesan Convention. We welcomed new members and gave thanks for the work of those whose terms had expired.

Continuing with the work begun in 2021, the Standing Committee used standardized questions when interviewing candidates for Holy Orders. A sub-committee worked on the questions, which were adopted by the Committee.

The Standing Committee worked on two property issues this year. First, St. John's, Ketchikan was given permission to proceed with the sale of the Yates and Tobin buildings. Secondly, the Standing Committee worked to resolve the transfer of a missing deed.

With information provided by Canon Suzanne Krull, the Standing Committee approved the giving of Congregational Grants, and authorized Canon Krull to make the appropriate decisions regarding provision of them.

The Standing Committee received regular reports from the Investment Committee, and regular reports on the financial status of the Diocese.

We reviewed applications for Consent to Episcopal Elections from several Dioceses this year, and sent our responses in as required.

A sub-committee was formed to work on the roll-out of the Diocesan Prison Ministry Grant Program.

The Standing Committee made plans for the first in-person Diocesan Convention since 2019! Additionally, plans were made for an in-person Standing Committee Meeting in November.

We accepted the Annual Audit of the Diocesan Finances by an outside, independent agency.

We accepted the proposed 2023 Budget, and the 2023 Clergy Compensation Guidelines, to be presented to the Diocesan Convention Delegates for approval.

The Standing Committee was grateful during this term for the abundant assistance offered by Suzanne Krull as we conducted our business.

1. Please highlight the activities/events and/or projects of your ministry/committee since last year's convention.

Established and Supported "bridge building" Deanery events to bring our communities together as the body of Christ seeking a common mission.

- Labyrinth awareness through our SCD Newsletter and a St. Augustine sponsored workshop with out of state facilitator.

- Restructuring of St. Simeon/St. Anna

- Gathered in a hybrid setting for our 2022 Deanery Meeting with the majority of attendees being in-person. This was a challenging way to hold our Deanery meeting; There was a struggle to meld both in person and virtual attendees. In person attendees celebrated the experience.

 Recorded our first Clergy SCD Pod-cast at our Annual Deanery Clergy gathering.
- Passed a By-Laws Revision and began discussion regarding the distinction between "standard operating procedure" and "By-Laws."

Ministry Report

Thank you and God bless you for the ministry that you provide to the Episcopal Diocese of Alaska. Ministry Reports are a way to share your ministry news so we might better understand and appreciate God's work thru this ministry. This report is included in the Diocesan Convention delegate packets and Convention Journal. Ministry Reports received after the deadline may not be included in this year's convention packets! Please return by 9/14/2022.

Name: <u>Dean Robert A Coghill</u>	<u>Jr</u>
Committee/Deanery/Ministry:_	Southeast Alaska Episcopal
Deanery	

Please highlight the activities/events and/or projects of your ministry/committee since last year's convention.

- The Southeast Deanery held a third Convocation via Zoom. This is a mixed blessing. It
 allows people from all churches to attend without the cost and inconvenience of travel
 BUT we do not have the face to face encounters that are so helpful in understanding one
 another and developing enthusiasm
- Rev. Lydia Bucklin of the Upper Peninsula was a principal speaker. She spoke of the possibilities for small churches. We in Southeast Alaska share the attribute of small churches.
- Because we met via Zoom the costs of a Convocation are considerably less. In 2021 the Deanery gave a grant to the parishes and in 2022 we excused dues for those wishing to be excused.
- The Deanery granted funds to Saint Brendan's for renovation of the entryway to their church.
- The Deanery granted funds to Church of the Holy Trinity to replace a portion of their alarm system which was no longer functional.
- The Deanery continues to support Godly Play and other youth activities throughout the Deanery.
- A weekly book study group met through the Fall/Winter/Spring. Books studied were on racism, twelve-step programs, aging, climate change and poverty.
- The Executive Committee of the Deanery meets monthly to share ideas and report achievements in mission. We develop a cohesive and supportive mission for our seven parishes.

Tell us about the goals of your ministry for the upcoming year:

- The Southeast Alaska Episopal Deanery will continue to support one another in our mission to serve God and God's children in our area.
- The Deanery is seeking training regarding the small parishes. We will be looking for training from the Episcopal Church, looking for successful strategies. We want to offer the most meaningful worship and community mission possible in all of our churches.

Stewardship. Do you receive support from the Diocese? Yes \underline{X} No_ If Yes, are you within budget? Yes \underline{X} No_ Are you raising additional funds? Yes \underline{X} No_

Please explain your overall financial situation: We receive grants from the Diocese and dues from the churches in the Deanery. We also rely on donations for Convocation housing, food and other expenses.

- 4. Please share any other comments or concerns that you have regarding your ministry.
- The Deanery is a community of communities. We all have common missions to our community. We worship similarly. We desire to support one another from our strengths to where there is need in our seven churches.

If you need more space, please feel free to use additional pages.

FAITH INTO TOMORROW – GOOD NEWS ENDOWMENT 2022 ANNUAL REPORT

The Faith Into Tomorrow – Good News Endowment is a diocesan endowment fund conceived around 1992 by Bishop Charleston and other diocesan leaders. The FIT Campaign, conducted during 1993, appealed to Episcopalians across the state to pledge towards the vision

of Bishop Charleston, to establish a fund that would concentrate our efforts towards six specific ministries. The Diocesan Investment Committee oversees the ongoing management of the investment of the endowment funds. The FIT Oversight Committee oversees the distribution of the interest from these funds through grants and operating budget line-item funding.

Membership: The FIT Oversight Committee (OC) consists of eight persons. Two laypersons and two clergy will be elected by the Convention. The Bishop, on recommendation by the FIT OC Chairman, will appoint three at-large members. The Diocesan Canon for Finance and Administration will be an ex-officio member. The elected and appointed members serve 4-year terms.

The current members of the committee are The Rev. Wilson Valentine (Elected Clergy; Juneau), The Rev. Mary Norton (Appointed; Kotzebue), Bella Schjenken (Elected Lay, Anchorage), Charlotte White (Appointed; Nenana), Maggie McKay (Elected Lay, Anchorage), The Rev. Julie Platson, acting Chair (Elected Clergy; Sitka), vacant seat (Appointed), and ex officio Suzanne Krull (Staff Liaison).

The committee held four evening meetings in 2022 by Zoom and longer multi-day Zoom meeting, November 6 and 7, 2021. The November meeting was changed from in-person to Zoom due to COVID-19.

Name of Program: Fostering Comfort and Care

Name of Church: Christ Church Episcopal, Anchorage, Alaska

1) Describe the program the grant helped fund? (share your story)

This program is Phase II of our Fostering Comfort and Care Ministry. This grant provides funding for the development, production and assembly of Comfort and Care bags for those in foster care and for marginalized/vulnerable families in need.

The Comfort and Care bags consist of a customized backpack that includes basic infant clothing (hats, onesie body suits, socks, bibs), burp cloths, blankets, disposable diapers, wipes, sacks (for containing soiled diapers), a padded, waterproof drawstring changing pad, teething toys, and hand sanitizer for the child's parent(s).

An outside entity has donated a generous supply of Beanie Babies to enclose in the Comfort and Care backpacks as "lovies." These toys will be carefully sorted to ensure construction safety and security (e.g., eyes and tags) before sharing them with infants and toddlers.

Everything included in the Comfort and Care bags are either handmade from new materials or purchased new.

2) How did your program impact your youth? Your youth ministry?

This program directly impacted youth by providing resources to vulnerable/marginalized families. Due to Covid-19 restrictions, our youth group has not been directly involved. However, they are very much aware of this ministry through church bulletins, flyers, church attendance, and Zoom meetings. Our rector has also incorporated the message of community outreach with emphasis on the ministries supported through our Comfort and Care Programs in sermons, newsletters and announcements.

3) How do you see God's work/purpose in this program?

This program not only serves the marginalized/vulnerable families in need, but it has provided a focus point for our community to gather and grow, providing opportunities for people of all ages and abilities to be involved in the outreach of this ministry. It is a collaborative, supportive program that has definite potential for growth. Volunteers from within Christ Church and the Anchorage community join together to research need and plan projects. This program has expanded beyond the walls of Christ Church with a weekly gathering and participants from both the parish and broader community, even beyond Anchorage. It also serves and supports pastoral care emergencies encountered by our lay and ordained ministers.

By design, the backpacks and circular cinch sacks are easily constructed. Even those with no or limited sewing skills are involved in supply coordination, fabric selection, cutting, inserting drawstrings, etc. Those of our group who can sew assist others and complete the items, either during our Tuesday gatherings or at home. We fill the backpacks and cinch sacks in community, praying for the families who will receive them.

Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.

Matthew 25:40

2021 Faith into Tomorrow grant Case 5 – Caring for Victims of Poverty and Abuse Cudd Hall – Community Kitchen, St. Georges-in-the-Arctic, Kotzebue

\$3,874.90

Report to Diocesan Convention, September 1, 2022

Program: We were blessed to receive a 2021 FIT grant for our program Cudd Hall – Community Kitchen. Cudd Hall is the parish hall for St. George's-in-the-Arctic and is also used by the community for many events ranging from birthday parties and other celebrations to fundraising, Give-Aways, and meetings. For some years now we have sponsored a Sunday afternoon hot meal for folks who are homeless, hungry, lonely, or just want to come. After briefly stopping the program after the Covid 19 pandemic hit, we began operating on a take-out only basis. We currently serving 40 to 50 meals each Sunday. All costs for the program are covered by donations or grants.

Impact: We have a small congregation, with a pre-pandemic average Sunday attendance of 10. The Sunday Community Kitchen has been a good focus for outreach efforts, something we can accomplish without great numbers. Different members of the congregation contribute or help prepare the meal each week and get to experience the joy that comes with serving others. The appreciation expressed by those receiving food, at the door or around the community, shows that we are having a positive impact. In addition, other organizations around town have not only donated to our program but have also gotten grant money to provide a similar service on weekdays, also operating out of Cudd Hall.

God at work: Caring for victims of poverty and other needs is definitely part of God's plan for us. We also include copies of our Sunday lectionary with the meals, helping to get God's word out to people who may not attend a church. Now that pandemic restrictions have eased, we are also to visit with people a bit more. I see the many blessings our church has received, even during the pandemic, as evidence that God is with us in this endeavor.

Funds spent: Grant funds have been spent primarily on take-out containers, covered cups for soup, plastic silverware, fresh produce, and the odd item(s) to complete a recipe. We have been blessed with many donations of items from local stores, hunters and fishers, organizations in town to work for a time and not wanting to ship out their surplus food, people cleaning their pantries, and others who just want to help. In so many ways, the FIT grant has been a seed that has encouraged others and grown into much more than that original \$3,874.90.

Many thanks to the FIT Committee and the Episcopal Diocese of Alaska for this grant; to A.C. Company, Northstar Market, NIHA, City of Kotzebue, hunters, fishers, workers, and other individuals who have donated food or time to help prepare and serve food; and special thanks to Brad, Mary, and Ella, who prepared and sent in our grant application in the first place, and Sophie, who started us on this path a long time ago.

2021 Faith into Tomorrow grant Case 6 - Encouraging Spiritual Growth and Outreach Digital Outreach Project, St. George's-in-the-Arctic, Kotzebue

\$1,099.00

Report to Diocesan Convention, September 1, 2022

Program: St. George's-in-the-Arctic has been live-streaming our Sunday morning service on Facebook Live since late spring, 2020, using a cell phone. We hope through this grant to upgrade to a better camera and sound system to improve the delivery of our service.

Impact: Our Facebook Live services have continued to be well-received by church members, with many tuning in when out of town or unable to attend in person for other reasons. We have some community members who have become regular online attendees, as well as quite a few from elsewhere in Alaska or other states. Some folks attend other churches also, and others haven't stepped through the doors of a religious institution for many years. Our online presence shows that we are alive and busy with God's work, as well as sharing the Good News beyond our doors.

God at work: Spreading the Gospel is God's work, and it is exciting to be a part of it in this way. We hope that this new equipment will improve our online offering, and that equipment to improve the sound quality of our productions will also support in-person worship, especially for our elders.

Funds spent: Due to busy schedules, travels, pandemic complications, and all manner of excuses, we have not yet spent the funds. We plan to consult a recommended "expert" soon, and then purchase the equipment. If we have not used the grant by the end of the year, we will return the funds to the FIT program.

Thanks in advance to the recommended "expert" for your suggestions and expertise; thanks to Brad for the initial research and grant application; and thanks especially to the FIT Committee and the Episcopal Diocese of Alaska for this grant, and for having deadlines that push us into getting things done.

DANCING WITH THE SPIRIT ACCOMPLISHMENTS 2022

https://www.dancingwiththespirit.org

Dancing with the Spirit is a program that teaches guitar, fiddle, mandolin, ukulele, singing, and dancing to students in villages—operating out of the Episcopal Diocese of Alaska office. It is funded by schools, tribal councils, and individual contributions. We have an 10 member Board of Directors and elected officers who guide the program and have developed our mission statement. "Dancing with the Spirit connects youth and elders through school music programs and camps-promoting spiritual, physical, and mental wellness with the joy, love and hope of music. Our goal is to prevent suicide, drug, alcohol, and domestic abuse by building self-esteem, preserving musical traditions, and encouraging strong healthy communities."

- 1. Over the past sixteen years, we have traveled to 55 villages--plus reached out to the Native communities in Fairbanks, Juneau, Kodiak, Cordova, and Anchorage with music camps. Villages are Alaganuk, Allakaket, Angoon, Anvik, Arctic Village, Beaver, Chalkyitsik, Chenega, Circle, Coffman Cove, Eagle, Emmonak, Fort Yukon, Galena, Grayling, Hollis, Holycross, Hooper Bay, Hughes, Huslia, Hydaburg, Hyder, Kaltag, Kasaan, Kivalina, Kokohanok, Kotzebue, Koyukuk, McGrath, Manley Hot Springs, Mentasta Lake, Minto, Naukati, Nikolai, Northway, Nuiqsut, Nulato, Pelican, Point Hope, Port Alexander, Rampart, Ruby, Scammon Bay, Shageluk, Stevens Village, Tanacross, Tanana, Tetlin, Thorne Bay, Tok, Tyonek, Unalakleet, Venetie, Whale Pass, and Yakutat.
- 2. Last spring we were able to get back to traveling and spent 15 weeks in TCC villages leading 14 music weeks—expanding our staff to focus more on culture and healthy living and hiring many more Native staff from the villages.
- 3. In August, we traveled to the Midway Music Festival in Canada's Northwest Territories with 11 Gwich'in youth and 6 fluent speaking Gwich'in adults/elders from the Yukon Flats plus the Rev. Catherine Amy Kropp and myself to lead a music camp, perform on stage, play music for 2 Anglican church services, practice speaking Gwich'in, and dancing—as a way to build young leaders to carry on Gwich'in culture, language, music and dancing.
- 4. Our curriculum (Volume 1, 2 (finished this spring), and Holiday videos, songbooks, fiddle tab) is available for free for downloading on our webpage https://www.dancingwiththespirit.org We've also loaded our curriculum on jump drives for students, teachers, families, and musicians including songs in Gwich'in, Han Gwich'in, Deg Xinag, and Koyukon.
- 5. This spring and summer we hired 34 members of the Native community (28 fluent speakers) in addition to 8 non-Natives. And earlier, during the pandemic we hired 22 of these part-time musicians to help with our virtual curriculum.
- 6. We have led virtual music lessons occasionally over the past two years for Tanana, Hughes, Beaver, Takotna, Anvik, McGrath and Chalkvitsik.
- 7. A Gwich'in Dance Social Studies Curriculum will be available later this fall that involves footage/info from dances in Venetie, Fort Yukon, and Arctic Village.
- 8. Received \$4200 from the St. Matthews Endowment Fund and a \$1000 Southcentral Deanery grant plus \$4000 from a GoFundMe for the Midway Music Festival Trip; a \$5000 FIT Grant towards a Gospel Music Curriculum; \$2000 from the Episcopal Diocese of Alaska; \$43,000 from FY2022 TCC Wellness Funds for village travel and distance music lessons; \$1000 from the International Bluegrass Foundation's Arnold Shultz Fund to record bluegrass song videos; \$9,200 from the Iditarod School District for Music Weeks in Anvik and McGrath; \$52,880 from the Yukon Flats School District for Music and Culture Weeks in Arctic Village, Beaver, Circle (flooded out but our staff traveled there), Chalkyitsik, Fort Yukon, and Venetie; and \$75,443 from the Yukon Koyukuk School District for Music and Culture Weeks in Allakaket, Hughes, Huslia, Kaltag, Koyukuk, Nulato, and Minto—plus occasional individual donations.

- 9. Received a \$64,650 RurAL CAP Foundation grant primarily for instruments for the villages, plus song videos, music curriculum, and distance lessons with the villages.
- 10. Updated our Dancing with the Spirit website with more pictures and information.
- 11. Nominated the Rev. Dr. Trimble Gilbert for a National Heritage Fellowship.
- 12. Continued to give out a two CD set *Rev. Trimble Gilbert Sings Takudh Hymns*--plus an all Gwich'in CD recorded by Beaver students
- 13. Continued work on a Gospel Guitar Songbook/Play Along CD and recorded more gospel song videos for a website gospel section which we hope to finish this fall
- 14. We are hosting a Music Instructor Training in person in Fairbanks and on Zoom September 25th to raise up more leaders.
- 15. We are looking for solid funding (and have begun work on setting up an endowment fund) to be able to hire several full-time staff so our program can continue long into the future!
