

EPISCOPAL DIOCESE OF ALASKA

FAITH INTO TOMORROW ENDOWMENT

The Mission of the Faith Into Tomorrow Endowment is to seek and serve Christ in all persons. This will be done by distributing funds for the development and support of the mission and ministry of all God's people within the unique and diverse body of Christians throughout the Diocese of Alaska.

Background – At the 1993 Diocesan Convention of the Episcopal Church in Alaska, the people of the Diocese were challenged to explore, with thanksgiving, their calling as a people, as congregations, as deaneries, and as a diocese in the areas of service and financial support. One of the outcomes of this charge was the establishment of the Faith Into Tomorrow Endowment. The interest from this fund is used to distribute monies in the areas of ministry development, youth ministry, caring for victims of poverty and abuse, facility enhancements, and spiritual growth and development.
